METHODOLOGY: The numbers on this page are based on contributors **Donors** (individuals as well as corporations and unions that give directly from their treasuries) to outside groups and from PACs (including super PACs) and individuals giving more than \$200 to candidates and party committees. In many cases, **the organizations themselves did not donate; rather the money came from the organization's PAC, its individual members or employees or owners, and those individuals' immediate families.** Organization totals include subsidiaries and affiliates.

All the numbers on this page are for the 2017-2018 election cycle and based on Federal Election Commission data released on June 10, 2019.
